Go Golden Gophers!

Hueytown Quarterback Club Welcomes Everyone to the 2020 Football Season!

The Hueytown Quarterback Club would like to welcome everyone, and thank you for supporting the Hueytown Golden Gophers. Our organization is proud to support the football players and coaches.

We would like to send huge congratulations to Coach Greg Patterson in his first year as the Head Coach, as well as the other Coaches and Players, for making it to the third round of the state playoffs, along with being Region Champs for the second year in a row. This is the first time that Hueytown has ever been "back to back" Region Champs and it is a great accomplishment, considering the toughness of our region play.

In addition, we'd like to express a very special thank you to the Coaching Staff and Players for their hard work this summer in the most difficult times we have ever encountered. Please do everything possible to follow the guidelines established by the Alabama State High School Athletic Association, as well as the Department of Health, so that these young men can have a full season.

Please pay close attention to the awesome businesses that donated so generously to place an ad in this program and on field signs. We should all be encouraged to shop local. The money raised from this program will greatly help in supporting the Team and Coaches with some of the necessary things they will need that otherwise would not be possible.

Lastly, we would like to thank those who spend hours of their personal time to help this program. Without you, none of this would be possible.

Thanks for the support and see you on Friday Nights! GO GOPHERS!

Honor...Hard Work...Success!

Golden Gopher Families & Friends,

Welcome to Hueytown High School and the “GG” Golden Gopher Stadium for what is certain to be an incredible football season, despite the challenges we face in 2020 with the COVID-19 pandemic. I am very proud of our students and the families they represent. Many hours have been put into helping our young men and ladies to be the best they can be academically, athletically, socially, and artistically. Their commitment to excellence will be rewarded.

What does it mean to be a “GG” Golden Gopher? Whether you are a parent, grandparent, alumnus, visitor, community member, or fan, being a “GG” Golden Gopher means you are part of the Hueytown High School family. We expect the best; therefore, we give our best. We support each other with all tasks, both big and small. We walk with our heads held high. Most importantly, the “GG” stands for the EXTRA EFFORT that we give to be better tomorrow than we are today!

Let me encourage everyone to support the young men and ladies of Hueytown High School through your service and active participation in one of our academic, fine arts, or athletic booster clubs. You are invaluable to the success of our school, students, and the community we serve!

And, as you attend the ballgames, please be sure to follow social distancing guidelines and wear masks as possible to help us stop the spread of the pandemic and come out “on the other side” safe and well and ready for another year of academic and athletic excellence in 2021. We will get there!

On behalf of the faculty, staff, and students, I proudly say – IT’S A GREAT DAY TO BE A “GG,” GOLDEN GOPHER!

Hoorah!

A WORD FROM HEAD COACH PATTERSON

Welcome to the home of the Golden Gophers, Hueytown High School. Thank you for attending tonight's game. We are excited to have you as our guest and appreciate your support of our students and the activities each of them are using to display their talents. Whether you are here to support a football player, cheerleader, band member, athletic trainer, videographer, or the community itself, we appreciate your interest and welcome you!

The competition and school spirit on display here tonight is representative of hours of hard work and dedication by our students, coaches, teachers, administrators, Quarterback Club, and countless people behind the scenes. That hard work and dedication has paved the way for many Hueytown High School alumni for almost 100 years. We are excited to be a small part of the great history of this school and this community. We are excited about the opportunities that are before us this season. Great pride is taken to prepare and perform at a level that will represent our school and community well.

I want to personally thank all the students performing here tonight, the coaches that prepared them, the parents and relatives that sacrifice so much for them to be here, our school administration that is continually encouraging us, the city officials and employees who are always helping us, the Quarterback Club members who work tirelessly and our sponsors that have so graciously supported us financially.
